GLOBAL REACH

OUR LEADERSHIP

"Visionary Leadership,
Inspiring Success."

Mr. Ajay Kumar Bhatnagar

Former Senior Director Bureau of Indian Standards (BIS)

He is a distinguished industry leader, brings over 45 years of expertise (out of which over 30 years for BIS Govt. of India) in consultancy, training, testing, auditing and inspection. As a Senior Director at BIS, he played a key role in shaping India's standardization quality assurance and technical regulations framework. He also headed the NITS (the training arms of BIS).

Mr. Mahim Jain

Former Deputy Director General Bureau of Indian Standards (BIS)

He is a qualified Electrical Engineer, brings over 35 years of expertise in standardization, certification, and policy-making. He dedicated his career to the Bureau of Indian Standards (BIS), where he played a pivotal role in shaping India's conformity assessment framework. He also headed the Foreign Manufacturer Certification Department (FMCD of BIS).

Portfolio of SERVICES

CERTIFICATION / REGISTRATION

CONSULTANCY

Facilitates your market reach with our innovative strategies.

TRAINING

Experienced faculty ensures skill enhancement for trainees.

INTERNAL AUDIT

Internal audits (as per IS/ISO 19011) are conducted by experienced and qualified auditors.

THIRD PARTY INSPECTION

Ensures total satisfaction by conducting thorough and effective inspection.

Consultancy

Consultancy for Product Certification Scheme of Bureau of Indian Standards (BIS) involves guiding manufacturers through the certification process to ensure their products comply with Indian standards. This is crucial for both domestic and foreign manufacturers who intent to market their products in India.

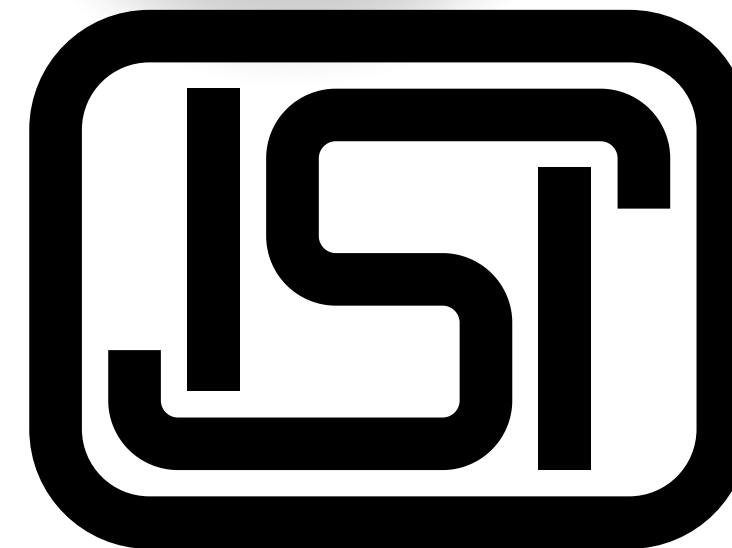

KMA provides consultancy on the following:

- BIS Product Certification (ISI Mark) for Foreign Manufacturers
- BIS Product Certification (ISI Mark) for Domestic Manufacturers
- BIS Certificate of Conformity (CoC)
- Management Systems Certification
- REACH Certification
- Compulsory Registration Scheme (CRS)
- Standardization
- Laboratory Recognition Scheme (LRS)
- Setting Up Testing Laboratories

TRAININGS

ISO standards training equips professionals and organizations with the knowledge and skills to implement and maintain various International Management System Standards.

KMA Global provides almost all International Management System Standards including ISO 9001 (QMS), ISO 14001 (EMS), IS/ISO/IEC 17025 (LQMS), ISO 22000 (FSMS), ISO 27001 (ISMS), 45001 (OHSMS) etc.

LABORATORY QUALITY MANAGEMENT SYSTEMS

QUALITY MANAGEMENT SYSTEMS

ENVIRONMENTAL MANAGEMENT SYSTEMS

OCCUPATIONAL HEALTH & SAFETY MANAGEMENT SYSTEMS

INTEGRATED MANAGEMENT SYSTEMS

FOOD SAFETY MANAGEMENT SYSTEMS

INTERNAL AUDIT

Internal audit is an integral part of any International management system, ensuring compliance with International standards such as ISO 9001 , ISO 14001 , ISO 45001 , ISO 22000 , and many more. KMA conducts Internal audit to help organizations to identify gaps, improve processes and maintain certification readiness.

01 Planning

Define objectives, scope, and audit criteria

02 Execution

Conduct audit through document review and on-site verification

03 Reporting

Document findings, identify gaps, and recommend improvements

04 Follow-up

Verify closure of non-conformities and ensure compliance

THIRD PARTY INSPECTION

Third-party inspections (TPI) play a crucial role in verifying product quality, safety, and process compliance. KMA Global acts as an independent inspection bodies to evaluate goods and services against national and international standards to minimize defects, prevent safety hazards and build customer confidence. These inspections help businesses ensure that their products meet market and legal requirements before they reach consumers. The TPI is conducted as per the International Standard ISO 17020.
